

SAFETY & RESCUE

TRAINING COURSES 2018

TRAINING COURSES 2018

Our courses are delivered throughout the year at our main Training Centre in North Wales, and at our partner training centres in Staffordshire (Staffordshire Fire and Rescue Service Training Centre) and in Teesside (Tees Barrage International White Water Course). These courses are available as either Open Enrolment or Contracted courses. Open Enrolment courses are run on specific dates and can be booked on a per person basis. Contracted courses can be organised for groups by arrangement, please contact our office for details of our contracted courses.

If these courses don't meet your requirements we offer customised courses, which we design around the needs of your organisation/personnel. To book a place on one of our courses, arrange a contracted course or discuss customised training please contact our office.

***Residential options** The majority of our courses are available on either a non-residential or fully residential basis. Fully residential courses include full board accommodation from dinner on the evening before course to lunch on final day of course. Single room accommodation is provided on Open Enrolment courses. Shared room accommodation is provided on Contracted courses (single rooms are available – supplement payable).

Water & Flood Safety & Rescue

In addition to the courses listed we also deliver: Water and Flood Awareness (AW), Flood Operations for Emergency Planners, Life Jacket Competent User (LJCU), Basic Water First Responder (BWR), Swiftwater and Flood First Responder (SFR), Whitewater Rescue Technician (WRT), Whitewater Rescue Technician Advanced (WRTA), Rescue from Vehicles in Water First Responder (RVWFR), and Searching Rivers and Floods. All these training courses are also available as contracted courses (organised for groups by arrangement). Please contact our office for details.
